June 1874

Dear Frank

Beside your father's letter touching Nelly family, would it not be possible for you to start a paper the Signer

there to give
something toward
purchasing that
set & the Liberator
& what other
books he has in the
Cornell or any
other library that

Your father thinks
best. Perhaps
I can would buy
all of them &
I think a little
trouble would
get the amount
subscribed in 10 -
Will you think
of it?

I think whatever
of subscribed for
either paper, should
be patriotic Majr
Saunders name as
Bondsmen to your
brothers Wm & given
in sums of $30 & $20
to which Bell - would to
make it last - a year
or two at the help into
some steady employment

Yours
Edmd Mallory
